No Show At Bendigo

And now, those days in October
we all look forward to

The October Clinic

That totally exhausting 3 Day Clinic is almost upon us again on Sept. 30th, Oct 1st & 2nd. Once again, remember our most important participants - the nags. Have tons of food for them - we demand a lot from them so **MAKE SURE THEY ARE FIT FOR THE EVENT**. Its when your tired that accidents happen. When they're tired serious accidents can happen. Take them

for some seriously long rides the week before the event.

We need sociable horses, with good shoes and poos (well - it rhymes with shoes and it might help you remember to worm your horses before they come!).

I hope you've all got your horses doing their lateral work well. Rosemary is very disheartened by the way she has to repeat the same lessons each time she comes here. Its as though the Bealiba Brumbies just don't want to progress at Dressage at all. If you haven't done the home-work she set you may not be invited to any more clinics!!

Junior Dressage & Jumping Day

Our Junior Committee will be busy in the next few months organising its Dressage with a Difference and Show Jumping Day, for November 16th. Last year the day was a great success (remember those sexy Clydesdales?) and we have to cater for an

event at least as big, if not bigger.

So PLEASE GET GOING RIDERS - the day is a team effort - do your jobs in time to make the day run smoothly.

Toilets : Templeton

Drink Bottles : Astbury

Laundaru : Tarr

Maryborough Ag. Show

has invited our club to, once again, raise much needed funds by manning the gates for the day. Lets not rely on the SAME people. Can you volunteer for a few hours?

Avoca is the venue for the State PCAV Jumping and Dressage Event in February. The event is moved around the Zones and this year it's the turn of the Midland Zone to host the day(s). As Avoca is so close to us is an opportunity for Bealiba Pony Club to prove it is a team player, in the Zone and contribute as much as possible to the running of it. Each club is asked to

contribute 12 pot plants so, could each family make sure they have a plant in a pot that will be suitable for use this February. The Zone

is also asking for any assistance you can provide in the area of catering.

Additionally they would really appreciate the use of portable gazebos for the day. If you can lend one, please contact Faye or Melissa.

Good Luck to Kellie - who is riding at the Royal Melbourne Show this month.
