May 1st & 2nd: Family & Friends Weekend  
Family & Friends weekend went off well, after hearing the weather forecast, we were all pleasantly surprised & a few of us even ended up with some sunburn. After a pleasant ride up the hill behind the Res we enjoyed lunch cooked by Veronica, although the sav's may have been a little cold when the support crew finally all arrived

Welcome to Bealiba Pony Club:

Ebony Cohalan & her parents, Kaye & Chris.

## What a Champion "Dizzy"

Dizzy has been well known around the Bealiba PonyClub for many years, spending time with the Smith family, the Woess family and finally as the beloved friend of Demcy and the Gibbs family. Dizzy will be fondly remembered and sadly missed by all who new her.

*The club has a new pooper-scooper, so please look after it and return it to the shed after use. If it costs \$40 every couple of months, fees may have to rise.*

For Lauren:

Word of the month:

**Straight**

From the dictionary:

"Without a bend , crook or curve"

"a line directly between two points"

A

It has become obvious that when Rosemary returns to Bealiba, we need to get her to demonstrate what is meant by a *Straight Line*

B

For those that didn't hear, Lauren lifted the bottle from the wrong lane!!!!
