Stephanie Conway is a very determined girl and because of this she is being awarded the member of the month.

Stephanie is mad about

horses and has worked extremely hard with her horse Pozz to move to a higher level with her showjumping and dressage. She rides every day and practices Rosemarys moves and sets up Allans grids. She participates in games and polocrosse and is fearless on the cross country. Stephanie is always polite, friendly and willing to help out when asked to do so. Congratulations Stephanie you an asset to our club.

Faye Barnett

District Commissioner

**Thank You Saddleland & congratulations
Steph**

Thank you to the Avoca Community Branch of the Bendigo Bank.

Last month we were successful in obtaining a grant of \$488 to purchase a Television & DVD/VCR combo unit for the Club. The equipment has been purchased and will be used to video and replay lessons. It will be a great medium for education, now our instructors will be able to sit down with you and discuss your lesson point by point.

Thanks again to the Bendigo Bank

Feel Like Some Culture?

Check out the Gallery at 22 Garden St Sth Yarra to view some of Lotty Aldenhoven's current art exhibition. As part of her Art class, Lotty had to do a portrait of someone famous, she has done an oil pastel portrait of Donald Chip, which was selected from Lotties whole school to be displayed in a prominent position in the art gallery in Melbourne. Well done Lotty

112 : Mobile Emergency calls

In order to make an emergency call on your Mobile phone the number to dial is **112**. Dialling 112 will connect you to 000 regardless of whether you have reception or not. It is a myth that dialling 000 on a mobile without reception will work.
